Retrospektive

You create a collection of papers that illustrate your abilities in the German language. Use as many sheets of paper as you need to portray in words and pictures the following functions we have studied thus far in class. Use sheet protectors for each page of your portfolio.

Requirements and Expectations:

For each Kapitel, at least two pages of material.

Each page should have a combination of pictures and text demonstrating the key functions listed below.

You may use magazine pictures or hand-drawn images that supplement the text.

Each page should be decorated nicely and creatively.

Rubrik:

Page has at least 5 examples of grammatically correct sentences.

1 2 3 4 5

Page has at least three pictures/drawings that supplement the functions below.
