

# German II Pacing Guide

Course Description: This course continues the development of the five aspects of second language learning- speaking, reading, writing, oral comprehension, and culture. In German II, writing and reading become more of a focus than in first year.

- EOC   VOCATS  
AP/IB   Teacher-made final exam

82					
83			Realizing that you will probably lose at least two days because of school events, these last four days can be used to make up and work from the first 11 chapters	Chapter 12 is all review and has excellent activities that help students review the course. You may want to assign parts of chapter 12 even when doing chapters 10 and 11.
